COLONEL L. B. HUFF, COKE OPERATOR, IS CALLED BY DEATH

Connellsville Man was President of the Keystone Interests.

HAD MANY OTHER HOLDINGS

Successors to Bright's Disease After an illness lasting more than a year, served as member of Governor Daniel M. Hastings' staff.

Colonel Lloyd Burrell Huff, aged 43, died at his home at Greensburg, Pa., at 10:30 a. m. Wednesday last. He was a well-known and was interested in large coal holdings in Westmoreland, Cambria and Indiana counties and in West Virginia.

Colonel Huff was born in Greensburg, Pa., December 8, 1871, the son of the late Congressman George Frank Huff and Mrs. Henrietta Carpenter Huff. He received his preliminary education in the public schools at Greensburg and was graduated from Rensselaer Polytechnic Institute of Troy, N. Y., upon his graduation from the institute he engaged in the coal and coke business with his father and became a factor in many companies in Westmoreland, Cambria and Indiana counties.

He was president of the Keystone Coal & Coke Company, president of the Pittsburgh, McKeesport & Greensburg Railway Company, president of the Westmoreland Hospital Association, president of the Allegheny Company, a coal company of Washington, D. C., and president of the United Brick Company. He was a director in the following concerns: Acme Gas Company, First National Bank of Greensburg, Keystone Clay Products Company, Lumber-Connellsville Coke Company and the Westmoreland Building & Loan Association.

Colonel Huff was married about 19 years ago to Miss Margaret M. Moorehead of Greensburg. He was a member of the staff of Governor Daniel M. Hastings and in this manner acquired the title of colonel. He was greatly interested in charitable and philanthropic work in Westmoreland county and was known to have given large sums of money for such work. He is survived by his widow, Mrs. Eleanor Moorehead Huff, two daughters, Eleanor and Elizabeth Huff, both at home, and a son, Daniel M. Huff, who is a mining engineer in the Philadelphia Mining Bureau from 1903 to 1904, and as chief of that bureau from 1905 to 1906.

The will of Mr. Huff was admitted to probate in Greensburg Monday. The will leaves the bulk of the estate to the wife and children of the deceased to be administered by the executors.

The will provides first that all just debts and funeral expenses be paid. Secondly the residuary bequeathed to Grace R. Snyder, the sum of \$1,000 for her many years of excellent care of his daughters, and "whose life has been a living example of Christianity." The money is payable one year after the death of the testator. To William Moline, an employee of Mr. Huff, is to be paid the sum of \$500 for his faithful services.

To the wife, Eleanor M. Huff, absolutely all the personal property and household goods, vehicles, etc., are to be turned over. She is to have a life estate in the home and all buildings on the home site, as a home for herself and her children as long as they remain together. In the case of a second marriage the estate passes into the general fund. The expense of maintenance of the estate is to be paid out of the general fund. Only with the consent of the wife of the testator can any property be sold by the executors.

The residue and remainder of the estate, real and personal, is devised absolutely to Eleanor M. Huff, wife of the testator and his two daughters, Eleanor M. Huff and Elizabeth Huff. Eleanor M. Huff, the wife, a brother Julian B. Huff, and William S. Moorehead, are named executors.

GETS ITALIAN ORDER

Steel Spring Company to furnish locomotive tires to Italy.

The largest single order for tires, to be received at the Lacrobe plant of the Railway Steel Spring Company for a long time has been received. The order came from the Italian State Railways, and it calls for about 1,800 locomotive tires.

The order comes as a result of the war, as heretofore the Italian State Railways have been accustomed to secure their tires in Germany. Germany's steel plants are busy now, however, turning out war materials and hence the neutral foreign nation has turned to America for its needs.

In the event that the war is continued for any length of time, it is expected that other orders will come from the European nations which have been accustomed to get their needs supplied nearer home, the plants there being engaged in furnishing the armaments for war.

INSTALLING FURNACES.

Improvements Under Way at Lacrobe.

Three new electric reducing furnaces are being installed in the plant of the Vanadium Alloys Steel Company at Lacrobe. The furnaces will be used for the reducing of tungsten ore and with their operation the capacity of the reducing department will be doubled, three furnaces now being in use.

It is expected that the new furnaces will be ready for use within a day or two.

Shops Working Well. All the shops of the Philadelphia & Reading system have been placed on 59 hours a week instead of 40.

GOVERNMENT COAL EXPERT JOINS ANTHRACITE CONCERN

Edward W. Parker, Subdivision of the Geological Survey, Resigns His Position.

EDWARD W. PARKER.

Secretary Lane has accepted the resignation of Edward W. Parker of the United States Geological Survey, for many years the government coal statistician of the Division of Mineral Resources. Mr. Parker leaves the government service to accept a responsible position with the anthracite mining companies.

In transmitting his resignation Director George Otis Smith goes on record as expressing his regret both personally and as a public official at "the termination of Mr. Parker's long and efficient service. As coal statistician of the government since 1899 and as chief of the Division of Mineral Resources of the Geological Survey since 1903, Mr. Parker's contribution to the present standard of the annual report of Mineral Resources has been large and important. In the nature of public service should also be mentioned important work by Mr. Parker in studies of coal testing and conservation and the publication by him in the engineering press of many papers on coal mining and production. From his own standpoint, however, Mr. Parker is to be congratulated in his new connection with the anthracite coal interests, where he will continue his activities along a line on which he has long been regarded as an authority."

With Secretary Lane's approval, Director Smith has designated H. D. McCaskey as chief of the Division of Mineral Resources of the Survey to succeed Mr. Parker. Mr. McCaskey brings to his new position experience, not only as a geologist of the Geological Survey since 1907 and section chief since 1912, but also as a mining engineer in the Philadelphia Mining Bureau from 1900 to 1903, and as chief of that bureau from 1903 to 1906.

AMERICAN COAL PRODUCTS

Proposed Plan of Reorganization Involves New Company.

A circular has been issued to stockholders of the American Coal Products Company in which a proposed plan of reorganization is outlined. It is proposed to change the name of the American Coal Products Company to the Eureka Coal Products Company with the same amount of stock as in the American Coal Products Company and to exchange all stock certificates to that end.

The circular states that the general expression of the stockholders present at the meeting was that this reorganization would increase the strength and value of the common stock and was unanimously approved. It is expected that arrangements will be made for this during the current year.

Coal Company Fails. CHARTERS, W. Va., May 7.—A petition in involuntary bankruptcy was filed here today for the New River & Ohio Coal Company. The company's liabilities are estimated at \$235,000 with assets approximately \$116,000.

If you have coal land for sale advertise it in The Weekly Courier.

MAP DIRECTORY

OF GUYAN VALLEY COAL MINES

A map and directory of the Guyan Valley (W. Va.) mines which shows the location of each of the 33 mines in that new field, together with names of officers, number of employees, table of distances, time tables, etc., has been published by William S. Moorehead, Washington, D. C., and is for sale for \$1.00.

FINANCIAL REHABILITATION.

Joseph V. Thompson's inability to meet his obligations brought financial gloom to Fayette county and the Connelville coke region a few months ago, but his announcement that he has arranged with a syndicate of New York capitalists to borrow \$250,000, and the fact that the syndicate has agreed to take over the management of the coke region, has brought a new era of hope and confidence to the people of the region.

The syndicate, which is composed of the great coal and coke interests of the United States, has agreed to take over the management of the coke region, and to pay off the debts of the region. This is a great relief to the people of the region, who have been suffering from the financial crisis for some time.

The syndicate has agreed to pay off the debts of the region, and to provide for the future of the region. This is a great relief to the people of the region, who have been suffering from the financial crisis for some time.

EUROPE AND AMERICA.

The prominent advertisement of Lord Charles Balfour to the effect that the sinking of the Lusitania was for the deliberate purpose of forcing the United States to declare war against Germany, but it utterly fails to grasp the idea that Germany wants more trouble than it has at present.

The war is evidently far from a conclusion in spite of the hopeful prognostications of the bull element in brokerage circles whose duty and interest make it always optimistic.

The demand for our foodstuffs has been increased because of the fact that European crops have been destroyed by the war. Our mills and factories are also filling orders for munitions of war.

The question has been anxiously asked: "What business is better or worse after the war is over?"

From present indications there is plenty of time to ponder over this problem, but in general it may be said that the war has been a disaster to the business of the United States.

The syndicate has agreed to pay off the debts of the region, and to provide for the future of the region. This is a great relief to the people of the region, who have been suffering from the financial crisis for some time.

It is stated that if his revenue tax bills are defeated, Governor Brumbaugh will cut the appropriations to charitable institutions rather than the appropriations for roads. We refuse to believe that the Governor is for the joy riders and against the pain killers.

The Pull Crow repealer has arrived at the executive session.

A Uniflowman man disputes his automobile on the ground that he can buy a new machine for less money. However, the cost of keeping up an automobile depend a great deal upon how the machine is treated.

Dunbar has landed a new industry. It came unheralded and perhaps uninvited. It's a powder mill. It will probably make more noise going than coming.

Mount Pleasant will have an overland express via Lake station, and it isn't the Wells-Fargo either.

Connellsville's idle young men are going to Akron, O., to rubber until they tire.

The announcement that the Connelville to Broad Ford road would be permanently improved to the extent of two miles instead of one mile has been a great relief to the people of the region.

Perhaps the Connelville bond money has been torped.

The British request in the case of the Lusitania victims is suspected of being prejudiced.

Emma Tinsley, hearing the war drum. That's her reality.

That hoisted editorial page of the Uniontown Standard is being improved by the adoption of some movable features long common to the Courier.

Italy is preparing to be in at the death. It might be a long time before the funeral was placed.

That seems to be a tough Turkey which the Democrats war party is trying to carve.

If the Buckhannon & Northern has really resolved to continue its interest in a single warship and has become a part of the Pennsylvania railroad system it won't be idle much longer.

The Connelville coke region railroad community of interest is in these modern times, subject to change of schedule without notice.

The 41 & 42, who run Sunday excursions to Cumberland this summer for the benefit of the Red Cross.

The latest Sunday of county road combine is already in the Somerset courts. The Somerset courts have not been heard from yet. The average merger has a hard road to travel in these days of public charity.

Looking Backward
News of the Past Condensed from the Files of The Courier.

FRIDAY, MAY 10, 1895.
Detailed report of the coke trade for the week ending Saturday, May 4, shows a total of 17,834 tons in production, of which 12,110 are coke and 5,724 are idle, with an estimated production of 12,789 tons.

Shipments for the week aggregated 6,264 cars, compared as follows: To Pittsburgh 2,372; to points east 2,735; to points west 1,157 cars.

Coke production and output show slight gains over last week's record. Stock coke is accumulating in all of the yards.

J. T. Connolly, formerly connected with the National Locomotive Works at New Haven, invents a new locomotive boiler, embodying new and novel features.

When a rock tumbler gives away at the Bluestone quarry, Michael Joy is killed and Patrick Ryan and an Italian are injured.

The Connelville Wholesaler plan a big stock on Monday night, with a lantern parade, the evening previous. The club now has 123 members, 39 being juniors. New members admitted are Harry E. Morton, William E. Hedges, John R. March, B. L. Graham and John H. Wicker.

The Pennsylvania announces that it will rebuild the bridge across the Young river here. It will be of steel supported by the present piers.

New Haven, Conn. and the Connelville, New Haven & Litchfield railroad are at a standstill. The road is at a standstill.

The production of "The Great School" for the Y. M. C. A. is postponed.

North Martin dies at his home on York avenue, aged 44 years.

FRIDAY, MAY 12, 1905.
Detailed report of the coke trade for the week ending Saturday, May 6, shows a total of 17,834 tons in production, of which 12,110 are coke and 5,724 are idle, with an estimated production of 12,789 tons.

When a rock tumbler gives away at the Bluestone quarry, Michael Joy is killed and Patrick Ryan and an Italian are injured.

The Connelville Wholesaler plan a big stock on Monday night, with a lantern parade, the evening previous. The club now has 123 members, 39 being juniors. New members admitted are Harry E. Morton, William E. Hedges, John R. March, B. L. Graham and John H. Wicker.

GROUND IS BROKEN FOR A POWDER MILL JUST ABOVE DUNBAR

Plant Will be in Operation Within the Next Three Months.

SURVEYORS ARE ON THE JOB

Company Experts to Have an Output of 20,000 Pounds a Day When Maximum Efficiency is Reached; No Black Powder to be Manufactured.

Ground was broken Tuesday for a powder mill which is to be erected at Ferguson, above Dunbar, by the Lawrence Explosives Manufacturing Company.

The company has acquired four and a half acres of ground from the United Fire Brick Company and surveyors are now laying out the site.

The mill is to be a large one, with a capacity of 20,000 pounds a day. It will be the first thing completed.

It is the intention of the company to manufacture 43 different kinds of explosives. It will make no black powder, all of the explosive being of the high power type.

The company is to build a plant that will have a capacity of 20,000 pounds of explosives a day. It will be the first thing completed.

The Grim Reaper

MRS. MARY A. McCLINTOCK. Mrs. Mary A. McClintock, 67 years old, wife of Daniel McClintock of Tarr, and a resident of Mount Pleasant for 25 years, died Saturday in a Johnstown hospital. Services. The body was taken at 3:30 o'clock from St. Joseph's Catholic Church at Mount Pleasant.

Mrs. McClintock was a native of Ireland and was brought to this country when 8 years old. She married Daniel McClintock and is well known in Connelville and vicinity, having resided at Tarr for one time. The following children survive: Mrs. Owen Hughes, Tarr; Mrs. J. J. Murphy, Snook; Mrs. J. E. Murphy, Clumet; John J. and Josephine McClintock of Tarr. The following brothers and sisters also survive: Bartholomew McClintock of Tarr; George Summers of Wink; Paul George Summers of Pennsylvania; Mrs. John Riley and Mrs. Elizabeth Gaffey of Bradock.

ROBERT N. McCLINTOCK. Robert N. McClintock, two months old, son of Mr. and Mrs. Robert N. McClintock, died Friday afternoon at the family residence, No. 1013 Second street, Connelville, Pa. The funeral will be held at 1 o'clock with Rev. C. C. Richardson of the First Methodist Episcopal Church officiating. Interment in Hill Grove cemetery.

LOUISE PERKINS. Louise Perkins, infant daughter of Mr. and Mrs. Alex. Perkins, died Monday at the family residence near Connelville.

CECELIA HENRY. Cecelia Henry, 16 years old, daughter of Mr. and Mrs. Patrick Henry, of Lebanon, Pa., died Sunday at the family residence following a lingering illness. Services were held at 9 o'clock Monday morning in St. Vincent de Paul's church with Rev. Father J. J. Freeman officiating. Interment in St. Joseph's cemetery.

WHI STOUT Sunday Deacons. Sunday morning the Indian Creek Valley will open for the season Sunday, May 23, and Liberty Park will open Monday, May 24, following Decoration Day.

MRS. CATHERINE BROOKMAN. Mrs. Catherine Brookman, wife of Frank J. Brookman of Cumberland, and a former resident of Connelville, died Monday morning in the Allegheny hospital, Connelville, following an operation. Mrs. Brookman was 27 years old and was a daughter of J. L. Mills of Connetquot.

MARION S. CHAFF. Marion S. Chaff, a former resident of Fayette county, died Monday afternoon at his home in Washington, D. C. He was born in Fayette county, a son of E. W. and Rebecca Chaff. His widow and two children survive.

ANDREW PAUL. Andrew Paul, 3 years old, died Saturday at his home at Connetquot. Mrs. John M. Paul, of Tarr, is among the survivors.

EDWARD A. GAGEN. Edward A. Gagen, 24 years old, son of Edward A. and Bridget Lavello Gagen, died Tuesday at the family residence in Pittsburgh. Funeral from the home Friday morning at 9:30 o'clock. Burial in St. John's Catholic Church at 9 A. M. Deceased was known in Connelville and Uniontown.

MISS PEARL GUSTIN. Miss Pearl Gustin, of Somerset, 30 years old, died Sunday at her home in Somerset. She was a daughter of Mr. and Mrs. J. H. Gustin. Her father is a resident of Connelville.

NOW A MIDSHIPMAN. John E. Wright passes his Annapolis examinations. John E. Wright of Tullahoma, Tenn., writes to Philadelphia B. Smith of the local school of the high school, who has passed all examinations for entrance to the United States Naval Academy at Annapolis, Md. He will enter as a midshipman on June 7. He will return home for a while before entering on his course.

Wright spent the last two months at the preparatory school at Annapolis. He has been in the examination of the class that took the examination, only 28 per cent were successful. Wright was appointed principal for the Annapolis appointment and after a visit to West Point, he was appointed to the Naval Academy.

Pennypacker and Brecht May Land Place for General Logan.

ADJOURNMENT TO BE MAY 20

House Defers Bill Amending Clark Third-Class City Bill Which Provides for Election of Councilmen on Party Tickets; Compensation Up.

HARRISBURG, May 12.—Governor Brumbaugh has assured the Republican leaders that between now and the date of adjournment he will send to the Senate the names of the men that he wants confirmed as members of the Public Service Commission. While the governor gave no hint of the prospective personnel of the commission, he indicated to the leaders that he will send the names of his appointees to the Senate next week. Those who are in close touch with his situation look to see these appointments.

Samuel W. Pennypacker, Montgomery county, new chairman of the commission.

John S. Brecht of Lancaster, now a commissioner.

John S. Brecht of Lancaster, now a commissioner.

John S. Brecht of Lancaster, now a commissioner.

ORDERS ARE MADE AT A SESSION OF ORPHANS' COURT

**Judge Work Directs That
Daughter be Paid for
Care of Mother.**

ACTION IN OTHER ESTATES

**Suit Against West Penn is Filed by
Coalbrook Man, Who Alleges That
Conductor Threw Him From Car
Without Provocation; Asks \$1,500.**

UNIONTOWN, May 10.—Judge J. C. Work in orphans court today handed down an order in the estate of J. Godfrey Keefe, deceased, in which the claim of Susan Keefe for \$250 for the care of her mother, Mrs. Amy Ann Keefe, was allowed. The amount in the hands of the administrator S. S. Kern of South Connelville, however, is insufficient to pay her that amount and after paying taxes amounting to \$20.95, the balance of \$229.05 was ordered to be paid to Mrs. Keefe. J. Godfrey Keefe died at his home in Uniontown, Pa., on September 19, 1901, leaving a widow and 10 children. The real estate brought \$595, and \$238.30 was paid out by the administrator. An order for the sale of a tract of 1.851 acres of land from a farm of 180 acres in Redstone township was ordered sold by Levi C. Waggoner, executor of the estate of Harshen Craft, deceased. The petition for the sale of real estate was presented by A. P. Cooper to this court. Mrs. Mary A. Craft, widow of the late Harshen Craft, joined in the petition. The land is to be sold for \$500 to the estate of the late W. J. Rainey.

On petition of Mrs. Martha Dixon, of New Salem, presented by Attorney T. M. Carroll, the court ordered the payment of \$194.35 out of the funds of Mary Ethel Brown by her guardian, the Fayette Title & Trust Company. The money is to be expended for repairing a fence and painting the house left the girl by the late Elias Hatfield, who died in 1911. Mrs. Dixon was the housekeeper of the late Mr. Hatfield, and in his will he provided that his granddaughter, Mary Ethel Brown was to have the use of his home, and Mrs. Dixon was given the privilege of making her home there during her lifetime.

The Citizens Title & Trust Company was appointed guardian of the person of a street car by the conductor "without provocation." W. C. Kerk, an official of the H. C. Frick Coke Company at Coalbrook, near Connelville, filed a suit last Thursday in the county commissioners to promptly supply the brick for the new road in Luxmoor township. The contractors allege that they were delayed in the work because of this fact, and assert that they have lost the sum mentioned.

INSURMEN SEE A BIG WILD CAT: EYES LIKE LAMPS.

MOUNT PLEASANT, May 10. One of the largest wildcats ever seen in the mountains crossed the path of a party of fishermen along Indian Creek Saturday. When they first saw the glare of the animal's eyes they thought it was an automobile. These who saw the animal were August Grosser, Thayer Mellinger, U. G. Weimer and Earl Snyder.

EJECTMENT SUITS

**Herds Would Oust Penns and Get
Damages From Western Maryland.**

Two damage suits were filed Saturday, one by the herd boys against the Pennsylvania railroad, a suit in ejectment and the other by Wash Herd against the Western Maryland railroad for alleged damage to his land known as "Herd Bottom" south of the city. The ejectment suit was begun by Francis E. Herd, Thornton Herd, Lillian Herd, Homer Herd, Wash Herd and W. S. Kirby, who purchased an interest of one of the heirs some years ago. They seek the ejectment of the company from occupancy of Herd Bottom.

Wash Herd, in his suit against the Western Maryland, alleges that the company built arches over Duhaner creek which are insufficient to carry off the water after heavy rains causing the "bottom" to flood and damage the property.

TAXES GO UP

**Dunbar Township School Board Makes
a Two-Mill Increase.**

At a meeting of the Dunbar Township School Board Saturday afternoon at the Arlington Hotel the millage was increased from 8 to 10 mills. This was caused by the erection of a new school building and improvements on the high school at Leesport, Pa. The school committee reported that the annual class day exercises would be held June 4, and that June 10 was the date set for the annual commencement exercises. In case the new auditorium is not completed the exercises will be held in the Presbyterian Church at Leesport. A special meeting will be held by the board tomorrow evening at the high school. Some teachers may be elected and any other business brought before the board will be transacted.

SUE THE COUNTY.

Contractors' Blame County Commissioners for Delay on New Road.

UNIONTOWN, May 7.—Suits for \$7,440.00 against Fayette county have been brought by Holbein & Price, contractors, who allege they suffered a loss through the failure of the county commissioners to promptly supply the brick for the new road in Luxmoor township. The contractors allege that they were delayed in the work because of this fact, and assert that they have lost the sum mentioned.

CHANGE IN CLERKS.

**L. R. Colbert Resigns Position at West
Side P. R. R. Office.**

L. R. Colbert has resigned as clerk at the West Side freight office of the Pennsylvania railroad. He will be succeeded by N. E. Harmon, present baggageman at the East Side station. J. S. Huey will become baggageman.

The change will necessitate the transfer of one of the clerical force on the East Side to the West Side office.

PREPARE FOR MEMORIAL DAY.

A meeting of William F. Kunkle Post No. 104, Grand Army of the Republic, will be held Friday afternoon at city hall to complete arrangements for the annual Memorial Day services. A large turnout of veterans is desired.

CARNATIONS TOO HIGH, DANDELIONS ARE SUBSTITUTED

MOUNT PLEASANT, May 10. Mothers' Day was observed in the Church of God yesterday and owing to the exorbitant prices charged for carnations, Rev. Updegraff announced that all wishing to hold Mothers' Day could show their willingness by wearing a dandelion. A large number of dandelions were in evidence, and only a few white carnations.

FAYETTE THIRD OF COUNTIES SENDING INSANE TO DIXMONT

**Since 1854 This County Has Sent 974
Persons to that Institution.**

UNIONTOWN, May 6.—Fayette county's commissioners have received a report from the board of managers of the Dixmont Hospital for the Insane, which shows that since 1854 there have been 974 persons from this county committed to that asylum. Of the counties in the state Fayette stands third in the largest number of lunatics committed to Dixmont in the last 58 years. Allegheny county stands first. In that period Allegheny county committed 3,837 persons to the institution. Washington county is second with 1,064. Westmoreland county is fourth with 956. However fifth with 853 and Cambria sixth with 766. During the year ending September 30, 1914, 154 persons were committed to Dixmont from Western Pennsylvania counties. Of these, 100 were men and 54 women. Washington and Lawrence counties tied for having the largest number committed during the year, each having 25. Beaver was next with 23, and Fayette and Armstrong counties each had 17 persons committed to the institution. During the year Cambria county committed 11.

WILL ASK A CHARTER

**85 Signify Intention of Joining the
Sons of Veterans.**

About 20 sons and grandsons of Civil War veterans met Friday at the Carnegie Free Library and decided to form a permanent organization of Sons of Veterans in this city. J. Fred Kutz, temporary president, was in charge of the meeting. Clyde Whiteley, temporary secretary, reported a membership of 85. An initiation fee of 50 cents will be charged and the monthly dues were fixed at 15 cents.

The by-laws of the general organization of Sons of Veterans were read and it was learned that before a permanent organization could be effected a charter must be applied for. Application for a charter was then made out and signed by those present. A meeting will probably be held Friday evening, May 21, for the purpose of electing officers and making plans for assisting in the Memorial Day program. At a later date an organization will be effected with a representative of the general association of Sons of Veterans in charge.

A letter received from C. F. Cook of Somerset stated he would be willing to come to Connelville and assist in the organization here.

OPENING NEW ADDITION

**Davidson Heights, Along Isabella
Road, to be Developed.**

As a starter for the building boom which is expected to develop the Davidson addition, along Isabella Road, into one of the principal residential districts, Mrs. Jean H. Davidson will erect two residences of the bungalow type during the coming summer. Plans are being drawn up and contracts are soon to be let.

The addition is to be known as Davidson Heights. Gas and water mains are to be extended soon, arrangements having been made with both companies. When Isabella Road is paved and the city lighting system extended beyond its present limits, if such arrangements can be made, this addition will have all the conveniences of the city.

In addition to the bungalow to be erected by Mrs. Davidson, William Sellers and A. B. Hood, who own lots there, are contemplating the erection of residences.

ARREST A HUCKSTER.

He is Rounded Up by Police For Having No License.

Simon Penn was arrested Saturday by Chief of Police Bowers for failure to take out a huckster's license. When taken to city hall he paid \$5, the fee assessed for a one-horse team.

Beginning this week, Mayor Marzetta will take vigorous steps to collect the remaining tax. Only about half of it has been paid, though it is four months' overdue.

**SETTLEMENT NEAR
IN DISPUTE OVER
COCHRAN'S COAL**

Efforts to Prevent Sale in
Washington County
Succeed.

CHORUS GIRL ASKS DIVORCE

Member of Monte Carlo Girls' Who
Lives in Uniontown, Says Husband
Had a Wife Before Her Marriage
Her—Dispute Over Brown Property.

UNIONTOWN, May 7.—A special session of court was held this forenoon for the disposition of the case of the Real Estate Trust Company of Pittsburgh against Alfred J. Cochran of Dawson, but it was adjourned by Judge J. Q. Van Swearingen from the bench that counsel had said at the last moment that the case was in process of settlement and that they desired that an opinion be not filed at this time. The case came before the court on a petition of the guardian of Alfred J. Cochran, who has been adjudged a weak minded person, for a stay of proceedings on a mortgage on 1,500 acres of coal in Washington county. It was alleged by the petitioners that the coal was worth probably \$150,000, while at this time it would not bring more than the balance due on the mortgage, which is \$12,000.

The question before the court was whether the court has the authority to stay proceedings on mortgages past due. The coal property has been advertised for sale by Sheriff E. G. Lutton in Washington tomorrow. Arguments were heard by the court in the case last Tuesday.

Attorney E. C. Higdon, guardian of Alfred J. Cochran, stated that the sheriff's sale of the coal lands in Washington county, will not be held tomorrow. He said that the mortgage held by the Real Estate Trust Company of Pittsburgh had been bought by persons who were willing to carry it, and the costs of the proceedings in Washington county have been paid.

A divorce was granted to Mrs. Cecilia E. LaFrance of Uniontown, one of the "Monte Carlo Girls," from Harry H. LaFrance, who, when last heard of was in Toledo, O. Mrs. LaFrance, who for several seasons has been with a burlesque company, is the daughter of Mr. and Mrs. Andrew J. Balke, a grocer of Uniontown. They were married at Greensburg, August 25, 1911. Mrs. LaFrance testified that her husband left her about a month after they were married in New Philadelphia, O. She LaFrance testified that she had learned from people in Toledo, O., that her husband had another wife, whom he married before he married her. LaFrance is a scenic artist.

In the case of Mrs. Lizzie B. Brown against George B. Brown and J. S. Brown, the court discharged a rule issued on petition of F. T. Adams to set aside judgment at the cost of Adams. Mrs. Brown is the wife of George B. Brown and the mother-in-law of J. S. Brown. She secured judgment against her husband and son-in-law on a judgment for \$1,500 on December 9, 1912. On June 9, 1913, F. T. Adams, a creditor of George B. Brown and J. S. Brown, instituted a suit in foreign attachment against them to have their attachment a lot in Fairview avenue, Connelville. Mrs. Brown then caused an execution to be issued on her judgment and the sheriff attached the lot and advertised the lot for sale. Adams took a rule on Mrs. Brown to show cause why the validity of her judgment should not be inquired into and set aside. Depositions were taken from George Brown and his wife, who reside in Brownsville, Texas.

Rev. Victor Dobra, pastor of the St. John the Baptist Greek Catholic Church of Uniontown, this afternoon filed two capias suits against George Volosko and Mathias Pachan, asking \$5,000 damages from each for alleged slanderous utterances.

It is said that on last April 25 at the quarterly business meeting of the congregation of the church, Volosko and Pachan accused Father Dobra of falling to turn over all the contributions of persons going to and from confession. Father Dobra, in reply, said in his action that the statements which he declares are false and scandalous, are liable to cause his disrepute and his removal from the church.

Masters were appointed by Judge Van Swearingen in three divorce actions which are now pending. Attorney Joseph W. Ray, Jr., was named master to take testimony in the suit of Ellen V. Handlin against Daniel Handlin. William Augustus Miller was appointed master in the case of William Schiffbauer against Jennie Schiffbauer. George L. Dawson was appointed master in the case of Emma J. Burns against Anthony Burns.

GETS YEAR IN JAIL

Charles T. Hetzel Will Serve Time in Fayette County

Charles T. Hetzel of town, Thursday was sentenced to serve a year in the Fayette county jail after pleading guilty to a charge of using the United States mail to defraud. Sentence was passed by Judge C. P. Orr in the United States District Court. A petition signed by about 150 Connelville business men, asking that sentence be suspended, was presented to the court.

According to E. Lowry Hamar, United States district attorney, Hetzel promoted the Excelsior Company, manufacturers of non-alcoholic grape juice, and sold his interest in it for various amounts.

He was convicted and sentenced to serve two years and a half in Leavenworth, but President Wilson commuted his sentence several weeks ago.

Will Clean Up

Uniontown Board of Health has designated May 15 as "Clean Up Day" in an effort to make the village immaculate.

**J. V. THOMPSON A GOOD
WITNESS IN WILL FIGHT**

His Memory Enables Him to Give Details as to Drawing up of Document.

UNIONTOWN, May 8.—J. V. Thompson proved a remarkable witness on the stand today in the will contest in the estate of the late Jane Hardin of Fayette. While the estate is a small one, worth perhaps \$4,000, Mr. Thompson remembered the most minute details of the transactions in his office in the First National Bank, where he was executor. The taking of testimony is to be concluded next Saturday. The will was contested by the filing of a caveat by relatives of the late Jane Hardin. The estate was left in the will of the late Mrs. Hardin to Mr. and Mrs. A. J. McCann, of Fairbance, who cared for Miss Hardin previous to her death.

Mr. Thompson stated that he had known Jane Hardin for about 50 years. She was a servant, he said, in his father's home when he was a young boy. He remembered the woman particularly as a miser. During the time that he was in the bank, he testified, she had many transactions there, and frequently gave Mr. Thompson her money to place an interest for her. He said that she called regularly for the interest, but that instead of spending it, she hoarded it. He said that she denied herself the necessities of life in order to save her money. He said that when in Uniontown she would walk to Uniontown rather than spend cabs.

A TRAFFIC BOOM

Pittsburg & Lake Erie Employees at
Dickerson Run Bay.

According to reports from Dickerson Run, business is booming again on the Pittsburg & Lake Erie and Western Maryland roads, following a depression beginning last November and continuing until the latter part of March. During April there were between 1,100 and 1,200 more loads delivered to the Western Maryland by the P. & L. E. than there was during any month since the road started operation.

Last week there were about 500 loads of coal delivered to the Western Maryland, and in addition to these there are a number of all kinds and description of goods being shipped in large quantities, mostly for export to different nations of Europe. Unusually large trains are being handled both east and west. On Sunday a train of 29 cars arrived from Cumberland and an eastbound train over the P. & L. E. carried 33 cars, made up mostly of export freight. Cars were being called out as soon as their rest period is up. Fast freight No. 2 was delayed several hours yesterday waiting for a crew to complete its eight hours rest period.

It is reported unofficially that the Western Maryland has ordered 20 more engines, of larger type than the 700's.

EQUIPMENT ORDERS

Tennessee Coal, Iron & Railroad Company and Others Get Contracts.

The Atlantic Coast Line has placed additional orders with the Tennessee Coal, Iron & Railroad Company for 1,400 tons of standard section rails.

The Anaconda Copper Company has awarded a contract to the Birmingham Steel & Machinery Company for 3,100 tons of structural steel for improvements at the Washoe smelter. The Anaconda has also placed a contract for 1,400 tons of structural steel for an electrolytic refining plant at Great Falls, Mont.

The Remington Arms Company has placed orders for 2,100 tons of steel with the Pennsylvania Steel Company, and for 1,400 tons with the Foley Bridge Company for additional construction of plant at Bridgeport, Conn.

CHANGE IN OFFICERS

V. D. Callaghan Resigns at Leont; H. Doorley Now Superintendent.

Vincent D. Callaghan, who has resigned as superintendent of the P. L. E. Frick Coke Company's plant at Leont, has been succeeded by Thomas H. Doorley, superintendent of the company's plant at Marguerite for the past several years. Mr. Doorley is a son-in-law of F. J. Tormay and has been in the employ of the company for the past nine years.

Mr. Doorley will be succeeded by E. S. Wittersberger of Hockley, Pa. Robert Hausen, formerly superintendent at Calumet, Mutual and United works, succeeds Mr. Wittersberger. G. W. English has been promoted from superintendent at Uniontown to A. A. Childs, superintendent at Juniata, has been given the superintendency at Bitner, also. The changes took effect today.

Report Told Order

It is officially announced that the Lakeview Steel Company has received an order from a foreign government for tonnage which will take the entire output of the company for the remainder of this year.

**ANOTHER MILE OF
BRICK ROAD EAST
OF TOWN PROMISED**

Permanent Improvements
Beyond Stone Bridge May
be Made This Year.

ENGINEER STEVENS FAVORS IT

Experts State Will Continue Its
Progress Road East of Town; Auto Club
Working Hard to Get Better Highways; Plan for Good Roads Day.

An extension of the state road recently constructed in Connelville township from Stone Bridge at least a mile further, and the improvement of the road from Connelville, have been promised this summer and definite announcement of the letting of contracts for the work are expected soon. J. B. Stevens, state engineer on highways, declared that there has been considerable improvement in the stretch of brick road beginning at the end of the present road and continuing in the direction of Connelville. Mr. Stevens has also promised that considerable money will be spent in this section of the county, so autoists and drivers feel that the prospects for improvements are good.

At the present time the state is doing some work on this road using a scraper to grade it, but this is believed to be but preliminary to the building of the highway. About a mile ago it was announced that considerable more brick road could have been secured, if the county could have been prevailed on to move the stone bridge so that an objectionable curve would be removed.

The Connelville Automobile Club, which has been vigorously going after road improvements in this section, will devote most of their time to have this road bricked if a mile more of brick road is secured and the rest of the stretch is improved with a rock surface, it will give a fine driveway from Connelville city limits almost to Pennsville.

The agitation for permanent roads in townships is still going on. The fact that the road supervisors are being elected by popular vote and that roads to be built are being driven home as a strong argument for permanent highways. It is stated that Bullskin township has spent \$74,000. Connelville township \$9,000, and "Upper and Lower Tyrone each \$50,000 in the last 10 years for repairs to dirt roads, and they are in no better shape now than they were then. This means practically \$18,000 a year for repairs and nothing which might have gone for permanent roads and been of lasting benefit.

A committee of the automobile club composed of L. B. Beebecker, J. L. Angle and A. S. Stacey has been appointed to confer with Bullskin township supervisors in regard to getting the use of its road machinery for work on the highway. The plan is to do on the road. The supervisors want \$25 a day. It is said and the state officials feel that this money could be saved and spent on the roads if the machinery were donated.

WANT CHURCH PROPERTY

Heirs Seek Title Now Vested in Episcopal Church Diocese.

UNIONTOWN, May 7.—A suit in chancery was filed today against the board of trustees of the Pittsburgh diocese of the Episcopal Church, Episcopal church by the heirs of the late Mary Rogers, who seeks to recover possession of the Episcopal church property on the West Side, Connelville. How the property came into possession of the church is not set forth, although the statement says the land was originally patented to Edward Cook in 1790 and he decided to sell it to the church. The heirs who have filed the suit are James A. Veesh, Louis C. Veesh, Katherine A. V. Howell, George A. Markin, Gertrude T. Overholt, Josephine J. Torrence, George A. Markin, guardian of John P. Torrence, minor son of the late Samuel Torrence. Josephine Katherine, Pauline and Robert Torrence.

WILL ENLARGE MILL

Carnegie Steel Company Authorizes
Improvement in Duquesne Plant.

Orders have been issued for additional improvements at the Duquesne plant of the Carnegie Steel Company which were not included in the program for extensions that had been announced at the opening of the present year. The improvements call for an enlargement of the merchant bar mills, increasing their capacity sufficiently to care for a growing business in bar lines.

Altogether the Carnegie Steel Company will have improvements under way at Duquesne, increasing its steel bar capacity at Homestead where a new steel mill and the plant is being erected, at New Castle, where a new metal mixer is being installed and at Farrell, where the great benzol plant is being added to the by-product coke ovens of the company.

BIG SNAKE KILLED.

Obnoxious Gopher in a Tree; Man Shoots It.

OHIOVILLE, May 8.—Miss Pearl McFarland, who lives at Jim ran a short distance from town, came to town on her way to school, and said a large snake was in a tree along the road. Mack Nicholson of town seized his shot gun and ran to the tree and shot the reptile from its lair. Wayne Show, who went with Mr. Nicholson, brought the snake into town and it proved to be a monstrous blacksnake, measuring 5 feet 3 inches in length.

Last spring a large blacksnake, well known, proved to be the mate to this reptile, was killed in the same tree.

Moves to Connelville.

C. E. Turney of Greensburg, has moved his family to Connelville for the summer. Mr. Turney is a line-man for the West Penn. Railway Company.

**CIVIL WAR VETERAN, ILL,
KILLS SELF BY SHOOTING**

George B. Shaffer, Widely Known in
this Section, Commits Suicide
at Last Liberty.

Ill health caused George B. Shaffer, 75 years old, a retired farmer of Last Liberty and a Civil War veteran, to commit suicide Sunday morning at his home by shooting. Mr. Shaffer had been in poor health for the past several years and of late had been suffering intense pain. He was unable to rest and it had been his custom to sit up all night in a rocking chair. Yesterday morning, while his wife was sleeping, he secured a revolver and fired a bullet through his right temple. Attracted by the noise of the gun, his wife ran to him and found him sitting in a chair with the gun in his hand, and in a dying condition. Medical aid was immediately summoned but life was extinct when the physician arrived. Funeral services from the family residence Tuesday afternoon at 1 o'clock with Rev. J. R. Hays of the Flatwoods Baptist Church officiating. Burial in Connelville.

Mr. Shaffer was a native of Fayette county all his life and was widely known throughout the county. At the outbreak of the Civil War he enlisted in Company G, Sixteenth Pennsylvania Volunteers, and served the war. He was a farmer in the vicinity of Dawson for a number of years and had been living a retired life there the past few years. In addition to his widow, he is survived by the following children: Mrs. George Lyon of Confluence, Mrs. Ella Lyon of Franklin township, Mrs. Elizabeth (Bessie) of Smith, Mrs. John Tate of Juniata, and one son James Shaffer of Juniata.

**"ANTS" BEGIN WORK TO
BALK "VOTES FOR WOMEN"**

National Organizer is Here to Start
Fayette Campaign Against
Suffrage.

Although the suffragists have had things rather their own way in Fayette county since the campaign for "Votes for Women" was opened, the worm has turned, as it were, and the Pennsylvania Association Opposed to Woman Suffrage has invaded the county. One of the national organizers, Mrs. Clara Markeson of New York was in Connelville Saturday and expects to spend a good bit of her time here and in the surrounding towns.

Knowing that the men will do the voting, Mrs. Markeson and her aides will devote most of their time to an effort to convince the men that they should oppose the woman suffrage movement. Mrs. Markeson herself expects to address several bodies of men on the anti-suffrage proposition.

The "ants" of Pittsburgh are now engaged in organizing their opposition to woman suffrage in 24 counties, and the meeting with considerable success. They maintain that the right of suffrage is not a right of citizenship, and that the workers for "Votes for Women" can poll a bare 10 per cent of the women of the state.
